Final Information Packet

Federal Heights, CO 80260

THANK YOU for your continued support throughout this year!

Make-Up/Hair Information

Make-up: All dancers should wear basic make-up for pictures, dress rehearsal and recital day. Please see below for a list of required make-up for your dancer's level. Please no blue, purple, pink, or green eye shadow. All dancers need to wear natural colors.

Dancers in a Combo Class (Mostly dancers who are 7 and younger.)

Light Blush (Pink)

Light Lipstick (Pink or Light Red)

Light Eye Shadow in neutral colors (Brown, White, Tan, Silver)

Dancers 8 and older:

Blush

Red Lipstick

Neutral Eye Shadow (Brown, White, Tan, Silver)

Black Mascara

Light eyeliner (optional)

Hair: Your hair must be secured in the hairstyle listed in this packet so that the class looks similar. If your hair is shorter than shoulder length you may wear it half-up/half-down with the hair piece secured in the same location as your group. Classes with curly hairstyles need to use a curling iron or rollers. Tighter curls are better for a stage performance. Make sure you use plenty of hairspray or gel so you have no fly-away hair on-stage or in pictures!

Other: Students may not wear jewelry during the performance (with the exception of small studded earrings that are not noticeable onstage). If students wish to wear jewelry for their individual pictures they may, but dancers must look uniform for all performances.

Tights are not meant to be worn with underwear; they have a cotton crotch which serves as underwear. Underwear should not be sticking out of dance costumes. If your dancer doesn't feel comfortable going without it, they may wear nude colored dance underwear (which can be purchased only at a dance store). Please remember that dancers do not wear underwear when they perform and this is a much easier habit to develop when your dancer is young.

We also sell nude leotards if your dancer has costume changes and would like to wear one under their costumes.

Picture Day (Optional) – Saturday, May 13
Location: Live Love Dance

We will once again be using the wonderful Wendy Wetmore to photograph our lovely dancers. Picture Day is optional. If you would like to purchase photos of your dancer in their Recital costume please follow the steps below. If all slots fill up, we will add more.

*There are **THREE** steps to registration for picture day -*

1. Use the [payment link](#) sent via email to place a \$25 deposit for each of your dancers.
2. Use the [registration link](#) sent via email to register your dancer(s) on the Wendy Turner Photography Photo Site.
3. [Sign up for a slot for each costume](#) that you plan to be photographed in on the LLD Sign-Up Genius.

What if my dancer is in multiple dances? You must sign-up for a slot for each costume on this sign-up genius. You only need to register your dancer once on the Wendy Turner Photography Site and pay *one \$25 deposit.*

For picture day, you will receive a piece of paper with a login QR code which allows you to access your photos on your phone or computer. Photos will go up online on May 30, 2023. **You MUST register your dancer and pay the deposit before the deadline of May 10, 2023 to reserve your session time.**

Please note that your \$25 *deposits WILL EXPIRE on June 20*, so please make your purchases before that deadline to ensure you receive credit for your \$25 deposit.

PICTURE DAY INFO:

Please arrive at least 20 minutes early to get dressed, touch up makeup and hair, and warm up/stretch for your photo session. Miss Valerie will have the schedule put together for you for Picture Day, and will communicate it with you.

Costumes: Bring as many costumes as you would like to be photographed in. Ensure each is pressed or steamed so there are no wrinkles in the fabric (if you need to have wrinkles removed from the picture, there is an additional charge).

Makeup: Do your makeup at home as you would wear it onstage. Please do NOT wear glitter makeup - it shows up as white dots in photographs. Please arrive early enough to do touchups before your scheduled session time.

Shoes: Please remember to bring all proper dance shoes, and wear tights that are clean and without snags and holes. This will avoid tears and stress for your child on picture day.

Retouching(Optional): If you would like retouching, there is an additional fee. Retouching includes, but is not limited to, hair removal / touchup, wrinkle removal, blemish removal, etc.

Thank you! I am excited to work with you again this year! Wendy Wetmore -

Mandatory Dress Rehearsal – Wednesday, June 7
Location: The Pinnacle Performing Arts Complex
1001 W 84th Ave.
Federal Heights, CO 80260

Please note the time below for your dress rehearsal as dress rehearsal is mandatory. Please arrive early in costume ready to perform. You do not need to have full stage make-up or the correct hair style for dress rehearsal but it is a good time to practice and see exactly how your dancer will look on-stage. Please allow plenty of time to find the location if you have not been there before. Please do not bring any extra guests to dress rehearsal.

When you arrive please wait with your dancer in the auditorium until their group is called. We will release each group to their parent as soon as their rehearsal is over. In order to stay on-schedule, each group usually only rehearses one time.

***Group classes only. Solos/Duets do not participate in the Dress Rehearsal.**

Wristband/Ticket Information

Everyone ages 3 and over viewing the show will need a wristband. Each family gets 2 wristbands to each show that they are performing in with the paid Show Fee. Extra wristbands are \$14 pre-sale and will go on sale through your online account on May 1. Wristbands sold at the door are \$16 (if available). Dancers coming to watch a sibling perform do get a free wristband. Families do not need to purchase additional wristbands for the 7pm show time. Any wristband from the 12:30 or 4:30pm show times will get you into the 7pm show time!

Show Day

Dancers should arrive in full make-up and costume 30 minutes before their show time. When you arrive, you will check your dancer in with our backstage coordinator at the holding room door. Please keep in mind that we cannot have any adults or siblings backstage in the holding area.

In order to facilitate a successful day, your child will not be allowed to sit with you or leave the performance early. Each show should run approximately 1.5 hours. When you drop-off your dancer please make sure their dance shoes are already on and only send a water bottle labeled with their name. Please do not send any extra items. If your dancer has a costume change, please label everything with their name.

AUDIENCE ETIQUETTE

Along with teaching your children to dance, it is our goal to allow them to participate in the process of presenting a live performance such as the Recital. To encourage the best possible performance from your child, it is important to model being a great audience member. Please remind your family and friends of the following guidelines for being a great audience member for a live dance performance.

-When you are watching a live performance, the people on stage can hear and see you. Please do not call out your child's name or wave to them. It will make it difficult for them to concentrate on their performance.

-Please turn all cell phones to vibrate and answer calls outside of the theater. Please set device screens to the lowest light level. Please enter and exit the theater between dances and not during.

-If you are videotaping your child, please be mindful of those around you as their child may also be on stage. You may videotape your child from your seat only so long as your camera does not obstruct the view of another audience member or our videographer. If you are using a device to record, the screen must be dimmed and held no higher than your head.

-Flash photography is not allowed during the performance as it can be dangerous to our performers. The flash of a camera will momentarily blind the performer and is very distracting to them. Please make sure that your party understands the seriousness of this issue and that all flashes must be turned off before the recital begins.

-Please make sure that everyone in your party (with the exception of children under 3) has a wristband!

Thank you in advance for your cooperation!
