

**Live Love Dance  
Holiday Showcase 2024 Final Information  
Saturday, December 7  
The Parson's Theatre  
1 E. Memorial Parkway, Northglenn, CO 80233**

We are so excited for our upcoming Holiday Showcase! Please read the below information so that you are ready for the special day!

**Tickets**

Each family will receive two tickets to each show in which their dancer is performing as part of the Show Fee that was paid. Extra tickets will go on-sale **Friday, November 1, at 9am** and are available on a first come/first served basis for \$14 through your online account. Each ticket holder ages 3 and above will receive a wristband for entry. Please make sure that everyone in your party is wearing a wristband before entering the theater. Wristbands will be sent home two weeks before the show. When you purchase extra tickets online, please purchase them for each show time. If you have a dancer that is coming to watch a sibling perform, they will get a free wristband. LLD dancers who are coming to a show to watch a sibling can use Promo Code

**Online Account Ticket Purchase Instructions:**

Log-in to your Live Love Dance portal on a computer or mobile device and select "Online Store".

Click on the "Ticket Icon" for the desired showtime.

Indicate quantity needed and add to cart. Checkout, or return to the "Recital Tickets" menu to purchase additional showtimes.

**Costume Requirements:**

As a reminder, our Holiday Showcase is more casual than our June Show. You may purchase something to match the requirements in **BOLD** next to your class name or do the best you can with something you already have in your closet! As there is no dress rehearsal for this show, we highly recommend putting on your entire outfit at home and dancing around to make sure everything stays in place!

### **Program Cover Design Contest:**

*Attention Dancers:* Don't forget to submit your program cover designs by **Saturday, November 16!** This contest is open to all dancers ages 3+. We will be picking one winner in each age category. Your artwork should fit the theme of The Polar Express. Not only will dancers see their artwork on the program cover, but they will also receive a bag full of goodies! Make sure your artwork is done completely by your student with no physical help from an adult. Please either submit your artwork in portrait format on standard 8 1/2 X 11 white paper, or scan and e-mail it to [missvalerie@livelovedance.net](mailto:missvalerie@livelovedance.net). Artwork can be colored or black and white, but will be made black and white for the program. Make sure that your dancer's full name and age is labeled on the back of their artwork, or in the email that you attach it to.

### **Show Day:**

Dancers should be dropped off backstage no earlier than 30 minutes before their performance time, dressed and ready to perform. When you drop-off your young dancer please make sure that they have their dance shoes on their feet, and only send them with a water bottle labeled with their name! Our fabulous staff will be responsible for all of the dancers backstage. Dancers will be released to their parents at the end of the show, so please plan to stay for the entire event. The 12pm and 2:30pm shows should last about 1 hour and the 5pm and 7pm shows should last 1.5-2 hours.

### **DVD Sales:**

Our professional videographer will be using state-of-the-art equipment to capture the show for sale on both DVD and USB! Don't forget to purchase yours before show day to get the pre-order price. You can purchase through your online account or by emailing: [info@livelovedance.net](mailto:info@livelovedance.net)

We are looking forward to a very exciting performance! Please let us know if you have any questions!

Thank you,
